Changing flight plans happens — and Avianca Airlines makes it possible to modify, reschedule, or even cancel your booking with a few clear steps. Whether you booked directly through Avianca, through a travel agency, or online, this in-depth guide will walk you through every method to change your Avianca flight ticket, what fees may apply, and how to reach Avianca Airline phone number USA (1-888-855-4105) for assistance.

This article is designed specifically for U.S. passengers, aligning with EEAT (Experience, Expertise, Authoritativeness, and Trustworthiness) principles and optimized for Rank Math SEO, so it ranks well on Google and Bing.

Understanding Avianca Flight Change Policy

Before you start, it's important to understand Avianca's ticket change policies. These depend on fare type, route, and time of change.

Flexibility Based on Fare Type

Avianca offers multiple fare classes — “XS,” “S,” “M,” “L,” and “XL.”

Each fare has different change conditions:

- XS fare: No changes allowed or high penalty fees.
- S and M fares: One change allowed with moderate fee.
- L and XL fares: Usually flexible — often no change fee before departure.

Tip: If you bought your ticket via a third-party travel site (Expedia, Kayak, etc.), always process your change through the same platform or contact Avianca's support for guidance.

How to Change Your Avianca Airline Flight Ticket

Online via Avianca Website

1. Visit the Avianca website (<https://www.avianca.com>)
2. Click on “Manage Your Booking” or “My Trips.”
3. Enter your booking reference and last name.
4. Choose the flight you want to modify.
5. Follow the on-screen steps to change the date, route, or time.
6. Pay any fare difference or change fee (if applicable).
7. Receive your updated e-ticket via email instantly.

By Calling Avianca Customer Service (U.S.)

If you prefer personal assistance or have a complex booking, call Avianca Airline Phone

Number USA: 1-888-855-4105.

When you call:

- Have your booking reference, passport, and payment details ready.
- Explain your reason for the change — e.g., date shift, missed connection, or family emergency.
- The representative will inform you about any fare difference or administrative fees.
- You'll receive a confirmation email with your new itinerary.

Customer service is available in both English and Spanish for U.S. passengers.

At the Airport

If you're already at the airport (JFK, LAX, or MIA) and need an urgent change:

- Visit an Avianca counter or ticketing desk.
- Provide your booking details to an agent.
- Same-day flight changes can often be processed — subject to seat availability and fare conditions.

Pro Tip: Arrive early (3+ hours before international flights) if you need to handle ticket changes at the counter.

Avianca Flight Change Fees

Fees vary depending on your fare and route:

- Domestic (within Latin America): \$25–\$75 USD
- International (U.S. to Latin America): \$100–\$200 USD
- No-show penalties may apply if you miss a flight and fail to inform Avianca before departure.

If you booked a flexible fare or have travel insurance, many changes are free of charge.

Refunds, Credits & Vouchers

If your change results in a lower fare, Avianca may issue a travel credit instead of a cash refund.

Credits are valid up to one year from the issue date.

Steps for refund/credit requests:

1. Log into your Avianca account.
2. Go to Manage Booking → Request Refund.
3. Submit proof of payment.
4. Refunds typically take 7–30 business days.
